The contribution limit for year 2009 is also \$5000. Anyone age 50 yrs. and older have a "catch up" contribution of another \$1000.

We continue to pray for

who are serving active duty in the military.

COLLEGE STUDENTS

College is the perfect time to establish some credit. You only need one major credit card with a small limit to get you started. Too many young adults get into credit card debt by having several cards.

Stop in at MMCU for your
VISA card today.

Funds Availability

Our general policy is to allow you to withdraw funds deposited in your account on the same business day we receive your deposit. In some cases, we will not make all of the funds that you deposit by check available to you on the same business day of your deposit. Depending on the type of check you deposit, funds may not be available until the 7th business day after the day of the deposit. The first \$100 of your deposit will be available on the 1st business day after your deposit.
