New Rules for Overdraft Protection

Due to recent **(Regulation E) legislation changes**, MMCU will **NO longer pay overdrafts** on ATM or Check Card (debit) transactions without your consent.

Currently MMCU will authorize your account to be overdrawn due to these transactions and you are charged \$20. We will continue to pay the transaction **if you Opt-In**.

These types of transactions will still incur a \$20 overdraft fee. If you choose **NOT** to Opt-In, these transactions may be declined.

Please call MMCU at 797-2185 for more information to Opt-In.
